

Horse ID Entry Online instructions for Members

All horses you want to use this current year must be entered through 4-H Online, co.4honline.com. This includes any horse ID's from previous years. The Weld County deadline for the **Horse ID Form is May 1st of each year**. 4-H Online will remember all of the Horse ID's you have entered. You will need to activate the horse ID every year.

From the Family "Member/Volunteer List", locate the member to add animal information to and select "Edit". From the top of the screen, click on "Animals/Livestock"

In this section you can Add Animals and Print reports (PDF or Excel once animals have been entered). Fill out the information in as much detail as possible. You also have the opportunity to upload pictures of most your animals as well. Once complete, SAVE all information! If you are activating a horse you used last year, please find the horse below the "Animal List", check the box next to the horse name and click the Activate Animal button at the bottom of the page. You can edit any information that you need to.

*****When entering the Name of Horse for a registered horse, please list the registered horse name and then the name that you call the horse in parenthesis.*****

Animal Information

Animal Entry will begin January 2, 2015.

Horse

Name of Horse:	<input type="text"/>
