Weld County
Extension

November 9, 2016

My name is Teresa Johnson and I am the Weld County 4-H Events Coordinator. I work with the Weld County 4-H Youth Executive Council. This group of young adults coordinates many of the youth events for Weld County 4-H including the Mardi Gras and Fair Dances, Officer Training and many Community Service Events. In addition they also serve as chaperones and counselors at many of the events put on throughout the County and State providing outstanding role models for younger members of 4-H. They further serve their community by providing 3 scholarships to graduating Weld County 4-H Members.

Currently the Council is working on fund raising so that they can continue to provide a variety of events and programs for the youth of Weld County. Having just completed their 2017 planning retreat, this group has many plans for the coming 4-H year. In addition to their plans to work several nights at local restaurants, and to sell tickets for the State 4-H truck raffle, the 4-H Youth Executive Council is also seeking contributions from area businesses to help them reach their goals.

4-H is a positive youth development organization that empowers young people to reach their full potential. A vast community of more than 6 million youth and adults working together for positive change, 4-H enables America's youth to emerge as leaders through hands-on learning, research-based 4-H youth programs and adult mentorship, in order to give back to their local communities.

I hope that you will be able to support this group of hard working youth, please don't hesitate to call me with any questions.

Thank You for your consideration
