

Weld County 4-H CWF Project Guidelines: Year Three

(Pertains to Weld County 4-H Members only)

Year Three CWF Project Foundations:

The third year of the CWF project is designed to enable delegates to continue exploring what citizenship is and how they are active citizens. Part of their exploration includes awareness about the 4-H program and what the CWF project is about. Delegates will be exposed to information about the trip from past delegates, slide shows, and information communicated to them through local club and county meetings. They are encouraged to participate in fundraising activities and any county opportunities. See the CWF General Guidelines.
